

found captive in the hands of savages. One was a German now about twenty five years

when a child, near San Antonio, Texas, and who has the habit of visiting her relatives in Indiana. Her parents were captured at the time of her capture. Her hair is light colored with the complexion of a white person, but in dress, dirt and bringing up as like the squaws with whom she always been associated. She

There is another white there belonging to the same was also a captive, but

married one who is the father of five children. She was when quite a little girl, long habit, it would be as possible to wean her from notions of her ladies' house. Her parents came from Ireland.

The Half-breed, New

A paragraph has been found in relation to one I was said to be a white man at West Point, and who the Indians and become for his brutality towards all men falling into his hands following particulars in re this Bent, are taken from

The Bent mentioned in the half-breed son of a Bent, the famous trapper and trader. The scamp has undoubtedly been active in inciting the Indians to hostilities; but that he is the mate of West Point, or of any institutions except what I call "Nature's good old college,"

specimen of the old game Indian traders. He was the favorite daughter of the of Cheyennes, and monopoly trade of that tribe for many thereby amassing a large. About twelve years ago his only daughter, Mollie, the

to receive the education. She took very kindly to plainness of civilization. A very handsome girl, was Westpoint, and, as he expressed his intention \$100,000 on her wedding. A handsome half-breed lack for beaux, and has

Col. Bent's Indian wife accompanied her husband on annual trips to the State, but never could be induced under a civilized roof or in sight of the settlements to see her daughter. As she took entire charge of
